Re: Docket UE-021250, Schedule 93 Report—Compliance Filing

Dear Ms. Washburn:

Pursuant to the Order Requiring Reporting in Docket UE-021250, this filing is Puget Sound Energy's annual report for Schedule 93, Voluntary Load Curtailment Rider. Market conditions in the past twelve months have not been favorable for exercising the voluntary load curtailment process under Schedule 93. Hence there has been no activity under Schedule 93.

Please contact Phillip Popoff at (425) 462-3229 for additional information about this filing. If you have any other questions please contact me at (425) 456-2797.

Very truly yours,
