To whom it may concern,

We are requesting the continuation of a fuel surcharge to our passenger fares, but at a lower rate. The price of fuel has dropped a bit recently, but not to the level that our rates are based on.

Enclosed you will find:

1. Special Fuel Surcharge Supplement No. 2, replacing Supplement No. 1
2. 2004 Boat Fuel Surcharge Calculation Sheet – Bob Colbo assisted us in preparing this statement.
3. L.S.N. request to waive statutory requirements giving us permission to begin the fuel surcharge on 7/1/04
4. A copy of our most recent bulk fuel purchase

We respectfully request your approval of these changes to our tariff 63. If additional information is needed please Cindy Engstrom at 509-682-2012. Thank you for your consideration.

Sincerely,

Jack Raines
President
