Re: At-Grade Trail Crossing Petitions
Foothills Trail
McMillin to Meeker
CRP 6169

Dear Mr. Nizam:

On August 25th of this year, we sent you several petitions regarding the referenced trail project. Per your request, I have enclosed a plan view of a typical railway crossing showing the various signs, etc. that will be placed at each crossing. The drawing should be attached to each petition as typical for each railroad crossing.

Please review the drawing as necessary. If you have any additional questions or comments, please contact me at (253) 798-3147.

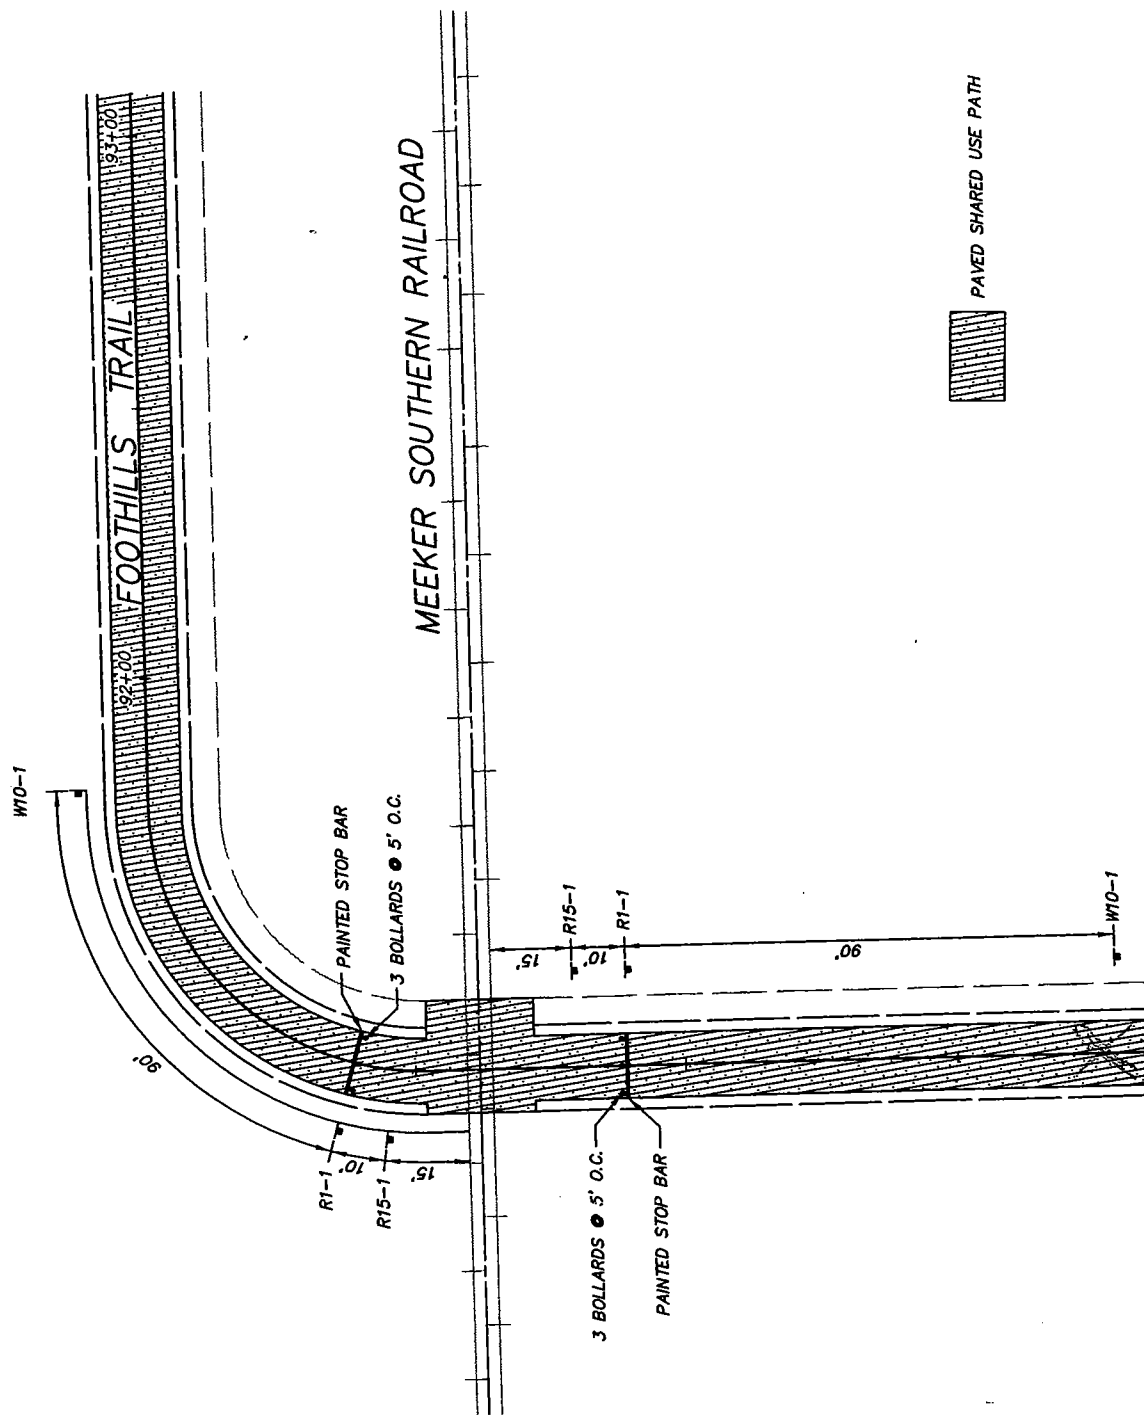

Sincerely,

Don Peterson, P.E.
Bridge Engineering Supervisor
