KALAMA TELEPHONE COMPANY

SCHEDULE NO. 42

NETWORK ACCESS AND TOLL SERVICE

CONCURRENCE IN "WECA TARIFF": (C)

By this reference thereto, Kalama Telephone Company (the "Company"), for the purpose of providing intrastate access service, hereby concurs in Washington Exchange Carrier Association Tariff WN U-2 filed with the Washington Utilities and Transportation Commission (the "WECA Tariff") as hereby modified under the heading "Modifications", and excepting therefrom those portions thereof set forth under the heading "Exceptions", and substituting therein the rates and charges set forth below under the heading "Substituted Rates and Charges". Except as otherwise provided herein, the regulations, terms, conditions, rates and charges applicable to the provision of Switched Access Service, Special Access Service and other miscellaneous services provided by the Company to Intrastate Customers ("ICs") are the same as those in the WECA Tariff. The Company's provision of service as set forth in the WECA Tariff is specifically intended to provide exchange network access to ICs for their own use or in furnishing their authorized intrastate services to end users, and for operational purposes directly related to the furnishing of their authorized services, and no other. Operational purposes include testing and maintenance of circuits, demonstration and experimental services and spare services. Telephone exchange services required by the ICs for their individual administrative use are furnished under other applicable schedules of this tariff. The Company will determine whether the access rates and charges specified in the WECA Tariff (including the substitute rates and charges specified in this schedule) or the rates and charges in other schedules of this tariff apply, based on the use of the facilities involved by ICs. (C)

Any and all references hereinafter to the "Contel Tariff" shall be deemed to refer to the "WECA Tariff." (N)
