PO Box 47250
Olympia, WA 98504-7250

Dear Ms. Washburn:

Pattison Water Company respectfully requests waiver of the annual report filing date required in WAC 480-10-505. Due to scheduling conflicts, I have been unable to complete the 2006 financial statements necessary to complete the annual report. The Company requires additional time to prepare the financial statements and compile the information for the annual report. It is anticipated that we can file the annual report by May 15, 2006.

The regulatory fee has been calculated and payment of the fee is sent directly from the company via a separate mailing.

Sincerely,
