RE: Chelan County Solid Waste Management Plan, TG-060706

Dear Ms. Harn:

The Utilities and Transportation Commission (commission) received the preliminary draft of the Chelan County Comprehensive Solid Waste Management Plan April 2006 from the Department of Ecology. We will review this plan as required by RCW 70.95.096.

Our solid waste plan reviewer, Bob Colbo, will be assessing potential impacts of the plan on the rates charged by solid waste collection companies doing business in Chelan County. Particular attention will be given to the cost assessment element. Mr. Colbo will contact you with his findings once the investigation is complete.

A hearing on the solid waste plan is scheduled for the June 14, 2006 Open Meeting at the commission's Olympia Headquarters, commencing at 9:30 a.m. Please submit any correspondence and documents in this matter to the commission Executive Secretary, Carole J. Washburn, under commission Docket TG-060706.

Questions or comments about the commission plan review process can be directed to Bob Colbo at (360) 664-1247 or via e-mail at bcolbo@wutc.wa.gov.

Sincerely,

for Carole J. Washburn
Executive Secretary
