Subject RE: GCPF Request

Kathy,

Yes I received your message. We can manage the labor costs.

Thanks,

Tim Marshall

Tim,

Just wanted to double check that you received my voicemail yesterday. As I mentioned, we are unable to provide advance payments for the cost of labor on two of Central Washington's GCPF petitions.

Please confirm that Central Washington can manage the labor costs without an advance payment. Once, the upgrades are complete, labor costs are reimbursed by the Commission. Of course, this is subject to approval of the petitions at the July 26 Open Meeting.

Thanks.
