Dear Tina,

Please withdraw CWA, Inc, dba Grape Line's charter and excursion authority application and refund our application fee.

We will use our Bellair Charters authority to operate charters and excursions in the area.

Thank you,

Tina,

We are actually making two applications. The first is for charter service and the second is for permanent scheduled service.

Hi there,

I haven't heard anything from either of you and I will be out for the next few days so I just wanted to touch basis. We need the permanent application to be done on the correct form. I'm attaching a blank form to this email. You can fill it out and email back. Let me know. Thanks!

Hi Larry,

So, I received your application today for CWA, Inc., d/b/a Grape Line but this is the wrong application. The Auto Transportation application is the one that needs to be completed not this Charter/Excursion application. How do you want me to handle this? Please advise.

Thanks!

Tina,

I am working on the permanent application for the CWA Inc., dba Grape Line service. Do you have the original support statements for the temporary application? They were sent directly to you by WSDOT and I don't believe I have any copies. Will those be adequate for this application and do I need to resubmit them?

Thanks, Larry
