Subject: Tracking TR-080437 TRMW Private Crossing 292nd St S

Dear Kathy,

Subsequent to our conversation Tuesday, April 22, 2008, and having been advised by WUTC that there is no public agency responsibility relative to maintaining this specific roadway, Tacoma Rail hereby withdraws our petition for designation of a new public crossing located at 292nd Street S, in Roy, WA.

Additionally, it is Tacoma Rail's understanding that the homeowners association has primary responsibility for maintaining this specific roadway thereby designating it a private crossing.

Thank you for your continued guidance and support,
