

Railroad Commitment  
TR-081671

The undersigned represents the Railroad Company in the GCPF application described as (enter brief description):

Install fencing between Ford Middle School and Tacoma Rail's tracks. Ford Middle School is located on 104<sup>th</sup> Street, near the 104<sup>th</sup> Street railroad crossing.

We have reviewed the application and are satisfied the conditions are the same as described by the applicant in this matter. We agree to allow construction, modification or demolition on a railroad right-of-way as described in the application.
