RE: TR-081796 Grade Crossing Protective Fund Application

Dear Mr. Nizam:

On October 1, 2008, Washington State Department of Transportation (WSDOT) filed a Grade Crossing Protective Fund (GCPF) application with the Washington Utilities and Transportation Commission (commission). The commission assigned docket number TR-081796 to this application. WSDOT requests \$12,120 to provide traffic control and repave the roadway as part of a track removal project at the SR-290 railroad grade crossing in Spokane.

The commission does not have available funding at this time to consider additional GCPF applications. Your GCPF application will be kept on file at the commission and evaluated when additional funding is available.

If you have any further questions, please contact Kathy Hunter at (360) 664-1257 or at khunter@utc.wa.gov.

Sincerely,

David W. Danner
Executive Director and Secretary
