RE: TR-081974 Grade Crossing Protective Fund Application

Dear Mr. Brueggeman:

On October 28, 2008, Spokane County filed a Grade Crossing Protective Fund (GCPF) application with the Washington Utilities and Transportation Commission (commission). The commission assigned docket number TR-081974 to this application. Spokane County requests \$17,109 to upgrade the existing incandescent lights to LEDs at the Espanola Road crossing in Spokane county.

The commission does not have available funding at this time to consider additional GCPF applications. Your GCPF application will be kept on file at the commission and evaluated when additional funding is available.

If you have any further questions, please contact Kathy Hunter at (360) 664-1257 or at [khunter@utc.wa.gov](mailto:khunter@utc.wa.gov).

Sincerely,

David W. Danner  
Executive Director and Secretary
