To Whom It May Concern:

The purpose of this email is to respond to the Notice of Deficient Application dated 12/23/2008, in which you have requested that I return the document with the following information:

Uniform Motor Carrier Certificate of Insurance (Form E)  
Insurance Filing by 1/23/2006

Due to economic issues and lack of work, at present I have temporarily suspended my application for a common carrier permit. I am hoping that later on during 2009 when/if the economic picture improves, I will be able to resume this application. I apologize for the lateness in submitting this email. Please let me know if you still require the above information at this time or can I submit it at a later date after I resume his application.

Sincerely,

Ray Riojas
