Re: Bainbridge Disposal, Inc. G-143 - Commodity Credit Revision Filing

I am filing revised pages, No. 2 Check Sheet, No. 22, Item 100—Residential Service—Monthly Rates and No. 26, Item 105—Multi-family Service—Recycling for Tariff No. 15 on behalf of Bainbridge Disposal, Inc., G-143.

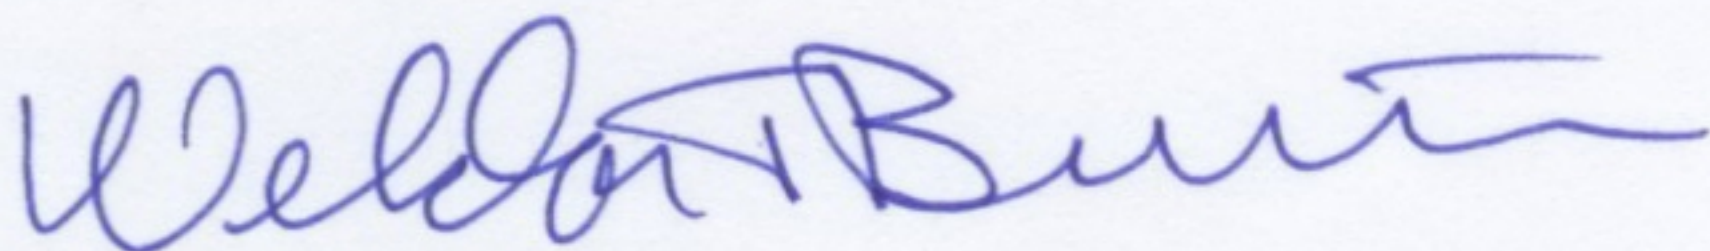

This filing proposes a residential recycling commodity credit decrease of \$.19 from previous credit of \$1.21 per customer to a credit of \$1.02. This customer credit decrease will increase the hauler's annual recycling revenue approximately \$13,584.24. This is an annual increase of approximately 3.72% in annual revenue.

This filing also proposes a multi-family recycling commodity credit increase of \$.77 from previous credit of \$.69 per customer to a credit of \$1.46. This customer credit increase will decrease the hauler's annual recycling revenue approximately \$12,261.48. This is an annual decrease of approximately 3.35% annual revenue.

As required by Commission rules, a copy of this transmittal letter will be mailed to Steve Bauer, Chair, Kitsap County Commissioners and Mayor Darlene Kordonowy, Mayor of the City of Bainbridge Island, WA. The company will notify all customers during the normal billing process.
