SCHEDULE 203A
PURCHASED GAS ADJUSTMENT CREDIT
(One-time)

PURPOSE:

To adjust bills rendered to Sales Service Customers served under the below-listed Rate Schedules for a one-time lump sum credit relating to purchased gas cost savings incurred between November 1, 2008 and March 31, 2009.

APPLICABLE:

To Customers with an active account at the time that the Customer's June 2009 bill is issued and who received Sales Service under one of the following Rate Schedules between November 1, 2008 and March 31, 2009:

Schedule 1	Schedule 3	Schedule 27	Schedule 42
Schedule 2	Schedule 19	Schedule 41	

CREDIT: **Effective Billing Cycle:** **June 2009**

The bill credit to be applied to Customer bills during the effective billing cycle will be calculated by multiplying the following per therm credit by the Customer's actual gas usage billed during the period November 1, 2008 through March 31, 2009:

(\$0.09377)

TERM:

This Schedule shall automatically terminate following the end of the June 2009 billing cycle. Nothing will preclude the Company from reactivating this Schedule at some future date as the Commission may approve.

GENERAL TERMS:

This schedule is governed by the terms of this Schedule, the General Rules and Regulations contained in this Tariff, any other Schedules that by their terms or by the terms of this Schedule apply to service under this Schedule, and by all rules and regulations prescribed by regulatory authorities, as amended from time to time.
