PACIFIC POWER & LIGHT COMPANY

FOR COMMISSION'S RECEIPT  
STAMP

SCHEDULE 108  
ENERGY STAR NEW HOMES INCENTIVE PROGRAM  
RESIDENTIAL SERVICE OPTIONAL FOR QUALIFYING CUSTOMERS

PURPOSE:

Reduce newly connected residential electric loads by encouraging installation of evaporative cooling and high efficiency central air conditioning equipment, performance based air distribution systems, best practice cooling equipment installation, high efficiency insulation, high efficiency windows, efficient appliances and lighting.

AVAILABLE:

In all territory served by Pacific Power (The Company) in the State of Washington.

APPLICABLE:

To all newly constructed residences, three stories or less, in all territory served by Company in the State of Washington.

CUSTOMER PARTICIPATION:

Customer participation is voluntary and is initiated by following the participation procedures listed on the program web site.

DESCRIPTION:

Ongoing program to deliver Builder Incentives will be provided to licensed builders certified as ENERGY STAR Builders in the US EPA national registry who construct new homes and multi-family dwellings with improved efficiency packages. The ENERGY STAR New Homes Program will be delivered by the Program Administrator and periodic changes will be made to ensure or enhance program cost effectiveness as defined by the Company. Incentives will be paid after the project is completed.

QUALIFYING EQUIPMENT:

Package measures eligible for incentives will be listed on the program web site and may include high efficiency cooling equipment, performance based air distribution systems and improved building envelopes.

PROGRAM ADMINISTRATOR: Qualified person or entity hired by the Company to run this program.

SCHEDULE 108  
ENERGY STAR NEW HOMES PROGRAM  
RESIDENTIAL SERVICE OPTIONAL FOR QUALIFYING CUSTOMERS  
(Continued)

PROVISIONS OF SERVICE:

1. Qualifying equipment or services, incentive amounts and participation procedures will be listed on the program Web site.
2. Incentive delivery may vary and may be offered year-round or for selected periods.
3. Incentive offer availability, incentive level and qualifying equipment or services may be changed by the Program Administrator after consultation with the Company to reflect changing codes and standards, sales volumes, quality assurance data or to enhance program cost effectiveness.
4. All changes will occur with a minimum of 45 days notice, be prominently displayed as a change, include a minimum 45-day grace period for processing prior orders and be communicated at least once to builders who have participated within the last year.
5. Incentives paid directly to participants will be in the form of a check issued within 30 days of Program Administrator receipt of a complete and approved incentive application.
6. Equipment and services receiving an incentive under this program are not eligible for incentives under other Company programs. Equipment and services receiving an incentive under other Company programs are not eligible for incentives under this program.
7. Company and/or Program Administrator will employ a variety of quality assurance techniques during the delivery of the program.
8. Company may verify and evaluate the energy savings of installed equipment or services. Verification or evaluation may include, but not be limited to, telephone survey, site visit, billing analysis, pre- and post-installation of monitoring equipment as necessary to quantify actual energy savings.

RULES AND REGULATIONS:

Service under this schedule is subject to the General Rules and Regulations contained in the tariff of which this Schedule is a part, and to those prescribed by regulatory authorities.
