• **On July 31, 2009 we applied for a Common Carrier Permit Authority for the above referenced carrier. However, he will not be needing this particular permit as he will not have a trailer for his truck, therefore he is requesting that his application be withdrawn and his permit fee (\$ 275.00) be reimbursed to him and mailed to his address. I am so sorry for this inconvenience. We appreciate all your help.**

Thank you
