Dear Nooksack Valley Disposal & Recycling Inc. Commercial Customer:

Nooksack Valley Disposal & Recycling, Inc. (NVD) is pleased to provide you with garbage and recycling collection service. This notice is to inform you of a proposed increase in the garbage collection portion of your bill. This is the first general (non disposal-only) rate increase NVD has requested since 1993. Over the past 16 years, we have worked hard to keep rates stable, and as low as possible, for our customers. During this time, employee wages, health and welfare benefits, as well as costs for equipment, insurance and repairs have increased substantially, and made it necessary for us to request a rate adjustment at this time.

Our goal is to continue to provide quality collection services at the lowest and most stable rates possible. If you have any questions or would like more information, please contact us at 360-354-3400. Thank you – we appreciate your business.

Sincerely,

Calvin Den Hartog  
General Manager, Nooksack Valley Disposal & Recycling, Inc.
