**Re: Advice No. 10-02
Tariff Filing – Request for LSN
Revision to Schedule 37 – Cogeneration and Small Power Production**

Dear Mr. Danner:

Pursuant to RCW 80.28.060, WAC 480-80-105, and WAC 480-80-122, PacifiCorp, d.b.a. Pacific Power (“PacifiCorp” or “Company”) submits for filing the following proposed tariff sheet provided as Attachment C to this filing.

Second Revision of Sheet No. 37.1 Schedule 37 Cogeneration and Small Power
Production

This filing proposes to increase the output level of the customer’s qualifying facility which is offered pursuant to WAC 480-107-095(1) and WAC 480-107-095(2) from one (1) MW or less to two (2) MW or less. This change is proposed in order to expand the availability of this schedule to more customers.

The Company respectfully requests that the schedule change become effective February 26, 2010 with less than statutory notice (“LSN”) in order to expand the availability of this schedule as soon as possible. Information required by WAC 480-80-122 regarding tariff changes with LSN, is contained herein.

It is respectfully requested that all formal correspondence and staff requests regarding this filing be addressed to the following:

**NOTICE
PACIFIC POWER**

Pursuant to Washington Law (including without limitation RCW 80.28.050 and -060) and the Washington Utilities and Transportation Commission's (the "Commission") Rules & Regulations, Pacific Power has filed with the Commission the original tariff schedules for electric service in the State of Washington.

Overview

This filing proposes to increase the output level of the customer's qualifying facility which is offered pursuant to WAC 480-107-095(1) and WAC 480-107-095(2) from one (1) MW or less to two (2) MW or less. This change is proposed in order to expand the availability of Tariff Schedule 37 to more customers.

The Company respectfully requests that the schedule change become effective February 26, 2010 with less than statutory notice ("LSN") in order to expand the availability of this schedule as soon as possible.

The Commission will examine the Company's proposed tariff sheets. As a result of such examination, the Commission may determine that any or all of said schedules should be accepted as filed, modified or rejected.
