Dear Tina,

We received a "Notice of Deficient Household Goods Permit Application" on March 3rd. We have since updated our business information with the State of Washington Department of Licensing.

We are waiting to receive our PIN from the FMCSA so that we can make the name change on our DOT/FMCSA information as well. They advised it may take 4-5 days to receive the pin in the mail. So, it may be another week until that is updated. I apologize for the delay.

Our legal name is going to remain: National Moving and Storage, Inc.
However, we are changing our DBA to Metropolitan Moving and Storage.

I am enclosing an updated PAGE 3 from our WUTC HHG permit application with the corrected information. I will call you as soon as I have updated our FMCSA/DOT info in their computer system.

We will also have our insurance company file form E with you as well.

Sincerely,

Erin Lampa

Notice of Deficient Household Goods Permit Application

The following items either need to be completed and/or correct. Once these items are corrected, we will continue processing your application for operating authority.

- X I received your faxed letter regarding the trade name addition. Since there is already a household goods company with the name of Metropolitan Movers, Inc., you will have to get their approval to use the name. If they will not approve, then we cannot add this trade name to your authority.
- X It has also been noted that you hadn't marked that you've had a permit with our agency in the past even though we currently have an active Household Goods permit with both Abner and Brooke Banwer as member of a corporation. Please clarify.
- X Obtain a Uniform Motor Carrier Certificate of Insurance (Form E) from your insurance company. The insurance must show your name EXACTLY as it is shown above.

Comments:

Enclosed is a copy from the DOL website from today showing our correct registered trade names which are now Metro Movers and Metro Moving and Storage. You should have received form E from our insurance company as well.

We would like to be issued our UTC HHG permit number as soon as possible so we can begin to advertise and get our names out there.

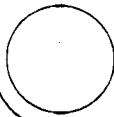

Thanks,

Erin Lampa
