(G-237); Tariff # 17

Enclosed are revised tariff pages 2, 23 and 25 to the above-referenced tariff. The purpose of these tariff revisions is to establish rates for residential subscription yard waste collection services in Island County. This same service is now offered in areas of Snohomish County serviced by this division. Due to customer demand the company wishes to offer this service at the current tariff rates charged for this service in Snohomish County. We request that the rates for this new service be approved to become effective on June 1, 2010.

Customers will be notified of this new service option on their next regularly scheduled billing. If you have any questions or need additional information, please contact or me at (425) 814-7840.
