Re: South Bainbridge Water Systems, Inc. – Contract with Sharon L.  
Gilpin

Dear Mr. Danner:

Enclosed are the original and three copies of the above-referenced Contract. The purpose for filing a contract is that this location requires placement of a meter in a non-standard location.

To this end, South Bainbridge Water Systems, Inc. hereby respectfully requests that the Commission grant a waiver of the requirement contained in WAC 480-110-435(5) that the meter be located on the customer's property. The location is a mutually agreed location, but it is not a "location on the property mutually agreed upon..." as contained in WAC 480-110-435(5).

Your attention to this request for waiver is greatly appreciated. A map (2 pages) showing the configuration of the properties involved is enclosed.

Sincerely,

RICHARD A. FINNIGAN
