RE: Sanitary Service Company, Inc., G-14 – Annual Recycling Commodity Price Adjustment (CPA) Tracker

Dear Mr. Danner:

Enclosed are revised tariff pages for our Annual Recycling CPA Tracker for Solid Waste Tariff No. 6. The tariff pages have an issue date of May 11, 2010, with a stated effective date of July 1, 2010 for the 12 months ended June 30, 2011.

Recycling commodity values have fallen since the last CPA. The impact of the tracker is an increase in the WUTC residential recycling commodity rate from a debit of \$0.15 to a debit of \$0.58 per customer, per month. The multi-family tracker increases from a debit of \$0.94 per yard per pickup to a debit of \$1.24 per yard per pickup.

WUTC residential and multi-family customers will be notified of the increase to the Recycling Commodity Rate on their next statements.

Hard copies of work papers and tariff pages have also been sent via US mail and will arrive on or before May 15, 2010.

If you have any questions relating to this filing, please contact me at (360) 734-3490.

Sincerely,

Ed Nikula
Vice President
