Re: Shuttle Express Inc. C-975, tariff #7

Under WAC 480-30-361(2) Shuttle Express is submitting an all new tariff # 7 to replace tariff #6. Tariff 6 had become unwieldy. Consequently, we have reformatted our tariff and combined it into one document. Changes were made to the title page and other pages in accordance with WAC 480-30-341 and 480-30-346 respectively. We also made some wording changes in our rules and listed the properties we cannot serve within our area. We have also added new scheduled service routes (schedules 7,8 and 9). As per WAC 480-30-351, we have included our map of our certificated area.

Again, there are no changes to this submission other than formatting and organization. Rates will change exactly 0%. In accordance with 480-30-301-3 we request the filing to be effective June 4, 2010.
