Re: Rainier View Water Co., Inc. – Single Lot Development Agreement –  
Nancy Hughes

Dear Mr. Danner:

Enclosed for filing you will find the above-referenced single lot water Development Agreement. The contract is filed with the Commission because it contains rates that are not in the Company's tariff. In addition, the customer is currently on a Class B system and is abandoning that connection for service from Rainier View. The terms for doing so needed to be addressed by contract. The customer is aware of the monthly rates and charges that are in the Company's tariff.

A drawing showing the location of the property is enclosed.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
