Re: Withdrawal of Petition for 2011 Excise Tax E911
Docket No. UT-101464

Dear Mr. Danner:

The Enhanced 911 (E911) Program Office recommended that the state E911 wireline excise tax on switched access lines and the interconnected Voice over Internet Protocol (VoIP) service line excise tax be set at twenty-five cents (\$0.25) for the calendar year 2011.

In that SSB 6846 Sec. 3 § 8 provides for these rates be set at their maximum of twenty-five cents for calendar year 2011 action by the Commission appears to not be necessary. Therefore I am withdrawing the request and requesting that Docket Number UT-101464 be closed.

The materials submitted with the request concerning the fiscal status of the E911 Program may be retained as informational materials, as appropriate under commission rules.

If you have any questions, please do not hesitate to contact this office at (253) 512-7011.

Sincerely,

Robert G. Oenning
Washington State E911 Administrator
