**RE:** Docket Number FRA-2010-0170  
**Subject:** Correction to Crossing DOT ID Number

It was brought to the City of Vancouver's attention that we listed the wrong DOT crossing ID number for the SE 164<sup>th</sup> Avenue crossing in our November 10, 2010 letter and attachment "Aerial Plan view of the Proposed Quiet Zone". The SE 164<sup>th</sup> Avenue crossing was incorrectly identified as DOT #090094Y. **The correct DOT crossing number is DOT #090093S.** Please make note of this correction.

If there should be any questions concerning this, please do not hesitate to contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian K. Carlson".
