**RE: TR-110159 through TR-110162 - Petitions on Behalf of Puget Sound and Pacific Railroad to Close Four Highway Rail Grade Crossings in Elma, Washington**

Dear Mr. Pettit and Mr. Glenn:

On January 19, 2011, Puget Sound and Pacific Railroad filed petitions with the Washington Utilities and Transportation Commission (Commission), seeking approval to close four crossings within the city limits of Elma. The Commission assigned the following docket numbers to these petitions:

- TR-110159 – North 2<sup>nd</sup> Street (USDOT #096525J)
- TR-110160 – North 5<sup>th</sup> Street (USDOT #096635U)
- TR-110161 – North 10<sup>th</sup> Street (USDOT #096638P)
- TR-110162 – North 17<sup>th</sup> Street (USDOT #096641X)

Please review the enclosed petitions and respond by February 15, 2011. Your response options include:

- Support the petition – Complete the Respondent's Waiver of Hearing form, which serves as your consent for the Commission to issue an order without further notice or hearing.
- Do not support the petition – Reply with your position and include whether you feel a hearing is necessary to resolve the issues or suggest other courses of action, such as further discussion prior to going to hearing.

You must respond with your position within 20 days of the date of this letter. If you have any questions, please contact Kathy Hunter at (360) 664-1257 or [khunter@utc.wa.gov](mailto:khunter@utc.wa.gov).

Prior to submitting a Petition for the Closure of a Highway-Rail Grade Crossing to the Washington Utilities and Transportation Commission (UTC), State Environmental Protection Act (SEPA) requirements must be met. Washington Administrative Code (WAC) 197-11-865 (2) requires:

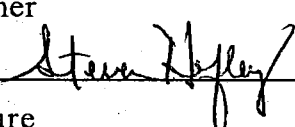

**All actions of the utilities and transportation commission under statutes administered as of December 12, 1975, are exempted, except the following:**

- (2) Authorization of the openings or closing of any highway/railroad grade crossing, or the direction of physical connection of the line of one railroad with that of another;

Please attach sufficient documentation to demonstrate that the SEPA requirement has been fulfilled. For additional information on SEPA requirements contact the Department of Ecology.

The Petitioner asks the Washington Utilities and Transportation Commission to approve the closure of a public at-grade highway-railroad crossing as described in this petition.

Prior to submitting a Petition for the Closure of a Highway-Rail Grade Crossing to the Washington Utilities and Transportation Commission (UTC), State Environmental Protection Act (SEPA) requirements must be met. Washington Administrative Code (WAC) 197-11-865 (2) requires:

**All actions of the utilities and transportation commission under statutes administered as of December 12, 1975, are exempted, except the following:**

**(2) Authorization of the openings or closing of any highway/railroad grade crossing, or the direction of physical connection of the line of one railroad with that of another;**

Please attach sufficient documentation to demonstrate that the SEPA requirement has been fulfilled. For additional information on SEPA requirements contact the Department of Ecology.

The Petitioner asks the Washington Utilities and Transportation Commission to approve the closure of a public at-grade highway-railroad crossing as described in this petition.

Respondent	)	USDOT CROSSING NO. 096638P
	)	N. 10 <sup>th</sup> Street
.....	)	

Prior to submitting a Petition for the Closure of a Highway-Rail Grade Crossing to the Washington Utilities and Transportation Commission (UTC), State Environmental Protection Act (SEPA) requirements must be met. Washington Administrative Code (WAC) 197-11-865 (2) requires:

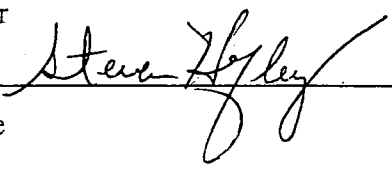

~~All actions of the utilities and transportation commission under statutes administered as of December 12, 1975, are exempted, except the following:~~

- (2) Authorization of the openings or closing of any highway/railroad grade crossing, or the direction of physical connection of the line of one railroad with that of another;

Please attach sufficient documentation to demonstrate that the SEPA requirement has been fulfilled. For additional information on SEPA requirements contact the Department of Ecology.

The Petitioner asks the Washington Utilities and Transportation Commission to approve the closure of a public at-grade highway-railroad crossing as described in this petition.

*Section 5 – Description of Closure*

1. Describe in detail the reasons for closing the crossing: **Improving public safety by reducing the potential for train/vehicle crossing accidents, reducing railroad maintenance cost and improving railroad operations.**

---

---

2. Describe the area currently served by the crossing, including the approximate number of homes or businesses that might be affected by the closure: **10th St. connects between W. Main St. downtown Elma to residences north of the railroad crossing then ends 1 blocks north of the railroad crossing. 10<sup>th</sup> St connects to Wakefield St. 1 block north of the at-grade railroad crossing.**

---

---

3. How far is the nearest alternate access across the tracks from the crossing proposed for closure? **Approximately 325 feet.**

---

4. Describe the alternate access route, including distance and driving time: **The alternate access route would be using N. 11th Street to cross the railroad tracks from the downtown area (Main Street) to Wakefield St. and back south on 10th St. Note that, unlike N. 10<sup>th</sup> Street, the crossing at N. 11<sup>th</sup> Street is equipped with active warning devices, including gates.**

**The worst case scenario for additional driving distance would be approximately 2100', or about 2 additional minutes at 25 mph.**

Prior to submitting a Petition for the Closure of a Highway-Rail Grade Crossing to the Washington Utilities and Transportation Commission (UTC), State Environmental Protection Act (SEPA) requirements must be met. Washington Administrative Code (WAC) 197-11-865 (2) requires:

**All actions of the utilities and transportation commission under statutes administered as of December 12, 1975, are exempted, except the following:**

**(2) Authorization of the openings or closing of any highway/railroad grade crossing, or the direction of physical connection of the line of one railroad with that of another;**

Please attach sufficient documentation to demonstrate that the SEPA requirement has been fulfilled. For additional information on SEPA requirements contact the Department of Ecology.

The Petitioner asks the Washington Utilities and Transportation Commission to approve the closure of a public at-grade highway-railroad crossing as described in this petition.
