RE: Bainbridge Disposal, Inc., G-143, Commodity Credit Revision Filing

I am filing proposed revised tariffs, Page No. 2 Check Sheet, Page No. 22 Item 100-Residential Service-Monthly Rates and Page No. 26 Item 105-Multi-Family Service-Recycling for Tariff No. 15 on behalf of Bainbridge Disposal, Inc., G-143.

This filing proposes a residential recycling commodity debit increase of \$2.23 from the previous credit of \$.27 per customer to a debit of \$1.96 per customer. This filing also proposes a multi-family recycling debit increase of \$5.29 from the previous credit of \$.60 per customer to a debit of \$4.69 per customer.

These changes are due to the overall and significant change in commodity values and tonnages since the previous commodity credit adjustment April 1, 2010. I am requesting the proposed effective dates for these tariff revisions be April 1, 2011.

Enclosed for your review are the accounting working papers for this filing.

The company will notify all customers during the normal billing process.

A copy of this transmittal letter will be mailed to the Chair of the Kitsap County, WA Commissioners and City Manager of the City of Bainbridge Island, WA..
