RE: Passenger Charter and Excursion Carrier Services Application – TE-110842
Harlow's Bus Service, Inc., dba Harlow's Trailways

Ms. Leipski,

Harlow's Bus Service, Inc., dba Harlow's Trailways is in receipt of your letter of 10 May 2011. In that regard:

1. Harlow's has been issued Unified Business Identifier ("UBI") number ~~630-109-708-000~~ ⁶⁰³.
2. The initial equipment list will include the following:

1999 VanHool T2145 57 passenger	VIN 43757
1999 VanHool T2145 57 passenger	VIN 43762
1999 VanHool T2145 57 passenger	VIN 43325
2011 VanHool C2045 57 passenger	VIN 47748
2011 VanHool C2045 57 passenger	VIN 47750

A sixth vehicle will be added to this list shortly and forwarded to your attention. The vehicles will be leased through ABC Companies, Faribault, Minnesota. The vehicles will be arriving in Washington in late June and license numbers will be provided to your office at that time.

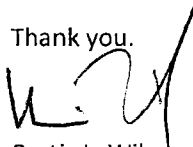

3. We have requested a copy of a Uniform Motor Carrier Certificate of Insurance (Form E) and will forward it to you when it is received. Per my earlier conversation with you the insurance certificate will reference our North Dakota corporate operations location here in Bismarck. We understand this address reference is satisfactory for the State of Washington Passenger and Charter Excursion Carrier Application.

4. We have requested a modification to the Harlow's Bus Service, Inc., USDOT number to reflect the "Inc." of the full corporate name. The processing time will be several weeks for this change.

Once items 2 and 4, above, have been completed, we will notify you to schedule the CVSA safety inspections.

Please advise if your office is in need of anything further at this time to process the above-referenced application.

Thank you.
