## NOTICE

Lowper, Inc. (company) will soon be regulated by the Washington Utilities and Transportation Commission (commission). The company will file a tariff with the commission by May 13, 2011.

The tariff is a document that contains the rates, terms and conditions that apply to the company. The process of becoming regulated will not result in an increase in your rates. The tariff will contain the same rates you pay today.

In addition to filing the tariff, the company will file certain financial information about the Company's operations with the commission.

If you would like to review a copy of the tariff, it will be available at the company's offices when it is filed. The tariff will also be available through the commission, once it is filed.

If you have any questions concerning this notice, you can call the company at 1-800-928-3750.

If you would like to obtain information from the commission concerning the filing, or learn more about how the commission regulates companies, you may do so by writing, calling or e-mailing as follows:
