Subject: East Gate RR Crossing UTC Petition (UNCLASSIFIED)

Classification: UNCLASSIFIED

Caveats: NONE

Kathy,

My office has been advised by the Washington State Department of Transportation that the signal upgrades proposed at the East Gate Road Railroad Grade Crossing (USDOT 396703W) will not require UTC action because of the federal designation of East Gate Road. By this message, I would like to withdraw Joint Base Lewis-McCord's petition in this matter and request that the docket be closed.

Regards

Larry Mickel
