Subject: School District

Kathy – I just got off the phone with the Moses Lake School District Transportation Office. We were talking about the number of buses that cross at the SR17/Stratford Road crossing. The School District Board has already exempted the crossing we have requested and school buses do not stop there. In fact they have 4 crossings (2 on highway 17) that are exempted.

Do we need to go through a separate process or can the transit and paratransit vehicles be exempted as well?

Tom

Btw – school district reports 30 crossings per weekday at SR17/Stratford.
