Subject: Clark County Chelatchie Prairie Railroad - Grade Crossing Protective Fund Application (GCPF)

Good afternoon Ms. Hunter,

Jon Holladay of Clark County filled me in on his desire to apply for a state grant to change out the type of lights currently in the railroad crossing signal on Eaton Blvd. (a.k.a. 199th Street) with a more robust lamps better suited for poor weather, etc. Please know that the City of Battle Ground is in full support of this endeavor. Anything that can be done to make the railroad crossing even safer for the traveling public makes sense to us.

Please do not hesitate to contact me if you need any additional information.

Regards,
