SCHEDULE 175
RESIDENTIAL HOME IMPROVEMENT HIGH-EFFICIENCY PROGRAM
WASHINGTON

1. AVAILABILITY

The services described herein are available to residential natural gas customers served under Rate Schedule 101 subject to Tariff Schedule 191 (Public Purposes Rider Adjustment).

2. ELIGIBLE SERVICES

Services provided under this Tariff include direct incentives for the installation at customer premises of specific qualifying residential natural gas efficiency appliances, equipment or measures within existing construction. The Company may, at their option, provide for efficiency support services applicable to measures eligible under this Tariff to include, but not restricted to, audit services, technology assessment and evaluation, measurement and verification services.

The Company may establish requirements for customer participation within this program to include, but not restricted to, access to premises for pre-project and/or post-project inspection and evaluation and measurement and verification purposes.

3. MEASURES

The Company will maintain and make available for public inspection a list of efficiency measures eligible under this Tariff and the current customer direct incentive. This information will be made publically available at the Company's website, distributed through the Company's outreach program and available in hard copy upon request.

4. FUNDING

Funding for all expenses associated with the execution of the provisions of this Tariff will be provided through revenue levied within Tariff Schedule 191 (Public Purposes Rider Adjustment).
