Subject: Brem-Air Disposal, a division of Waste Management of Washington, Inc. (G-237); Tariff # 20

Enclosed are the revised Title page and pages 2, 22 and 25 to the above-referenced tariff. The purpose of these tariff revisions is to correct a clerical error in our filing in docket number TG-111614. This error incorrectly reflected the intended rebate of \$1.42/mo. for residential customers and \$0.16/mo. for multi-family customers as a charge rather than a credit. This filing corrects this unintended clerical error. Customers have been correctly billed the credits as intended in TG-111614.

If you have any questions or need additional information, please contact or me at (425) 814-7840.

Very truly yours,
