

SCHEDULE A
 ADDITION OF CITY EXACTIONS

APPLICABLE:

This schedule applies to gas service rendered by the Company within the corporate limits of the cities in the State of Washington herein specified, under the Company's effective tariff schedules and contracts.

In order to offset city exactions upon or in respect to the manufacture, purchase, transmission, distribution or sale of gas, or the conduct of such business or any part thereof, by the Company, there shall be added to the charges payable by customers under such tariff schedules or contracts, except as noted under "Exclusions," the amount of the city exactions set forth herein.

RATES:
