Yes we will withdraw the name change application.

Is the process to write to the records center now?

Thanks where the confusion starts ☺

According to our records, C-1073 was issued to CWA, Inc., d/b/a Airporter Shuttle.

But the tariff & time schedule have CWA, Inc., d/b/a **Central Washington Airporter**; Airporter Shuttle. (This is your scheduled route)

Now, your application pending for the permanent extension has the name of CWA, Inc., d/b/a Airporter Shuttle.

Just want to make sure everything matches and no glitches.

Before you do please confirm that auto transportation certificate is the formal name for the certificate we have to run scheduled service between Yakima and Seattle/Seatac.

Hi Richard,

So, can I use this email as a notice to withdraw your application to add the trade names to your auto transportation certificate?

Let me know. Thanks!

Tina,

If C-1073 is the certificate that applies to ONLY our scheduled service between Yakima and Seattle/Seatac then our dba should be

1. Airporter Shuttle

Richard,

I just received this email from Cathy Kern regarding your trade names. On previous emails, you stated:

Yes please while we are doing it we might as well add them to both certificates

Richard

So now I'm a little confused as to what you are telling Cathy Kern? Please let us know how to proceed with your applications.
