Here is what our policy staff would agree to. What do you think?

RECYCLABLE COLLECTION SERVICE limited to temporary drop boxes to residential and commercial customers in the following territory:

Puget Sound to the west, north of Federal Way and Auburn, and south of Everett. The eastern boundary is bounded by State Route 18 and Federal Way through Auburn to Snoqualmie, State Route 202 from Snoqualmie to Fall City, State Route 203 from Fall City to Monroe and State Highway 2 from Monroe to Everett.

Let me know. Thanks!
Tina

Re: Application# TG-120673

Tina,

Thank you for assistance in preparing our application. I have filled it to the best of my ability for the type of permit we are requesting.

Attached to this letter are two maps.

One shows the entire service area and then the second zooms in a bit closer to show the area in more detail. Unfortunately, it cut off Federal Way and Auburn as is listed in the textual description. However, the first map shows the complete area.

If there is anything additional you need for our application, please let me know.

Sincerely,
Terry C. Stokes
