Tina:

I've added a sentence in the Airporter Passenger section which already appears in our current authority but we added the red "s" to make it "routes" along with the other 3 changes you show below. See all the correct wording on your original email text below.

Hi John,

I have received your extension application and want to make sure I'm noticing the exact language you want. It wasn't specific in the application itself so I just need clarification. Here's what I will put on the public docket:

PASSENGER SERVICE by reservation only:

AIRPORTER PASSENGER SERVICE BETWEEN: Whidbey Island and Bellingham International Airport. Door to door service in conjunction with the above route.

CLOSED DOOR SERVICE BETWEEN: Whidbey Island and Bellingham International Airport.

If this is what you intended, please let me know so I can put your application on the public docket.

Sincerely,

Tina Leipski
