Re: Fuel Surcharge Request and LSN for Pacific Northwest Transportation Services, Inc. (C-862)

Mr. Danner:

The company requests Commission approval to amend its filed Tariff No. 4 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 109 to recover the difference in current cost of fuel and the fuel costs embedded in the filed rates. We respectfully request approval and adoption of the attached "Fuel Surcharge Tariff Supplement", to become effective 05 September 2012, and will expire 04 October 2012, to recover the risen cost of fuel.

The proposed fuel surcharge amount is \$2.50 per one way passenger fare and \$5.00 per round-trip passenger fare. The percentage amount that rates will change, if they become effective, is from 1.35% to 50.00%.

The amount of revenue that is expected to change if the proposed rates become effective is \$11,582.50.

Sincerely,
