Hi Tina,

No, we do not have anymore paperwork, everything I gave you is what we have. As far as the DOT, I faxed them what they needed and called them lastnight and this morning and they said, it is infact updated in their system, and they said it takes a few days for your system to update. If you would like to verify this, you can call them but I did verify this for you yesterday and today as well. I think we have resolved everything so far. Thanks for being so patient, as have we!

Olivia

Sincerely,

Jonathon Sheridan

Hi there,

I received your fax this morning of a copy of your Secretary of State registration. Actually, when you incorporated, there should have been paperwork to establish the corporation. That's the paperwork I need a copy of. Do you have anything like that?

Let me know.

Thanks!

Tina

Hi Olivia,

Thanks for taking care of these.

I'm referring to the paperwork which established you and Jonathan as a corporation. I believe the Secretary of State had you submit some type of paperwork establishing the corporation and that's what I need a copy of.

Thanks!

Hi Tina,  
I am getting the name to match DOT number and faxing that into them today, they need our signature to change it so that will be done by the end of the day today. Corp paperwork needs to be sent by us or not? Are you referring to the Secretary of State Certification?

Thanks  
Olivia Sheridan

I'm emailing you the letter I will be mailing out. As soon as I receive a copy of your corporation paperwork and your USDOT number is in the correct name, I will be able to issue this transfer.
