**Petition to Waive Portions of Filing Requirements**

Dear Mr. Danner:

**WAC 480-07-530, General rate proceedings-- Water Companies**, applies to this filing. We have included, to the best of our understanding the work papers necessary for this surcharge.

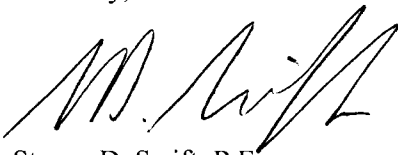

**Section (4) Work Papers** covers additional work sheets that would normally be included if this filing affected our billed water rates or base charges. Since this surcharge is for a specific purpose, namely covering the Extraordinary Maintenance Expenses as shown on the sheets enclosed, that the moneys collected will be put into a separate bank account, and all revenues will be treated as CIAC, we do not believe the individual items of (4) are necessary.

The expenses paid by this surcharge are known and measurable, with contracts created for the loans and work to be completed upon approval of the surcharge.

Staff may contact Steven Swift at (360) 480-3190, or email at "[swiftasset@gmail.com](mailto:swiftasset@gmail.com)."

Please call or email when you need more information.

Sincerely,

Steven D. Swift, P.E.  
President
