### Item 80 - Carry-out Service, Drive-Ins

Companies will assess the following additional charges when customers request that company personnel provide carry-out service of cans/units not placed at the curb, the alley, or other point where the company's vehicle can be driven to within five feet of the cans/units using improved access roads commonly available for public use. Driveways are not considered improved access roads commonly available for public use.

Cans, units, mini-cans, or micro-mini cans		The second secon
that must be carried out over 5 feet, but not over 25 feet	.40	.50
For each additional 25 feet, or fraction of 25 feet, add	.40	.50

NOTE: The company may elect to drive in at the rates shown above, except the charge will be limited to one can, unit, mini-cans or micro-mini can. If cans, units, mini-cans, or micro-mini cans are carried over 125 feet, but are safely accessible to the company's vehicle, the drive-in charges shown below must be assessed instead.

	Ra	te
Charge for Drive-ins (per pickup)	Residential Per Pickup	Commercial Per Pickup

#### Item 160 - Time Rates

When time rates apply. Time rates named in this Item apply:

- When material must be taken to a special site for disposal;
- When a company's equipment must wait at, or return to, a customer's site to provide scheduled service due to no disability, fault, or negligence on the part of the company. Actual waiting time or time taken in returning to the site will be charged for; or
- When a customer orders a single, special, or emergency pickup, or when other items in this tariff refer
  to this Item.

How rates are recorded and charged. Time must be recorded and charged for to the nearest increment of 15 minutes. Time rates apply for the period from the time the company's vehicle leaves the company's terminal until it returns to the terminal, excluding interruptions. An interruption is a situation causing stoppage of service that is in the control of the company and not in the control of the customer. Examples include: coffee breaks, lunch breaks, breakdown of equipment, and similar occurrences.

**Disposal fees in addition to time rates..** Item 230 disposal fees for the specific disposal site or facility used will apply in addition to time rates.
