Re: Rainier View - Benducky, LLC Water System Extension Agreement

Dear Mr. King:

Attached you will find the original and two copies of the above-referenced Water System Extension Agreement between Rainier View Water, Inc. and Benducky, LLC. This relates to the installation of a water distribution main and related operating equipment and appurtenances for the Mountain Highway Plaza project. The reason for filing this contract is that the Developer must install a road crossing to be able to connect the Developer's property to the Company's main. The main extension will be given to the Company after it is installed. It appears that this situation requires that the contract be filed with the Commission.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
