Re: Rainier View Water Co., Inc. - Kenkar, LLC Water System Extension Agreement

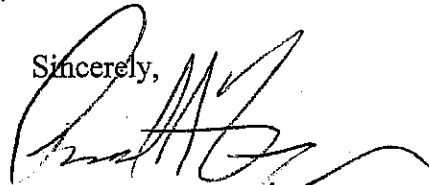

Dear Mr. King:

Attached you will find the original and two copies of the above-referenced Water System Extension Agreement between Rainier View Water, Inc. and Kenkar, LLC. The agreement is for the installation of a water distribution main and related operating equipment and appurtenances by Kenkar, LLC. Rainier View Water, Co., Inc. will retain ownership and operation of the distribution main and related operating equipment and appurtenances. In addition, Rainier View Water Co., Inc. will provide water to four homes being constructed by Kenkar, LLC.

The reason this agreement is filed with the Commission is that it contains a late-comer's provision. The Company's tariff does not include a late-comer's provision. It is not the policy of the Company to routinely grant a late-comer's provision. However, in this circumstance, it appears to be warranted.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
