RE: Revised Commodity Credit, G-12 Tariff Number 11 for Rabanco Ltd (dba Republic Services of Bellevue, Rabanco Companies, Eastside Disposal)

Dear Mr. King:

Please find attached revised tariff pages associated with tariff revisions for G-12 Tariff Number 11 for Rabanco Ltd (dba Republic Services of Bellevue, Rabanco Companies, Eastside Disposal). This revision is necessary to correct a clerical error in the tariff pages (recently approved TG-131157). The Single Family Residential Commodity credit was shown as a debit of \$0.62 per customer when it should have been a credit to customers of \$0.62 (a price decrease) as reflected in the accounting work papers submitted to and reviewed by the WUTC. We are asking that this rate become effective on August 15, 2013 so customers recognize the benefit of the credit in their August bills.

If you have any questions please don't hesitate to contact me
