Docket No. TG- _____ Date: _____ By: _____

Company Name/Permit Number: Waste Management of Washington, Inc./G-237

Registered Trade Name: Waste Management – South Sound and Waste Management of Seattle

Item 30 – Limitations of Service

1. **Schedules.** A company's schedule will meet reasonable requirements and will comply with local service level ordinances.
2. **Due care.** Other than to offer reasonable care, the company assumes no responsibility for articles left on or near solid waste receptacles.
3. **Liability for damage.** When a customer requests that a company provide service and damage occurs to the customer's driveway due to reasons not in the control of the company, the company will assume no responsibility for the damage.
4. **Refusal of service.** (Except as set forth in Section 5, Missed service due to unsafe weather conditions road conditions, natural disaster or when government authority restricts access to local roads.)

A solid waste collection company may refuse to:

- Collect solid waste from points where it is hazardous, unsafe, or dangerous to persons, property, or equipment to operate vehicles due to the conditions of streets, alleys, or roads.
 - Drive into private property when, in the company's judgment, driveways or roads are improperly constructed or maintained, do not have adequate turn-arounds, or have other unsafe conditions; or
 - Enter private property to pick up solid waste while an animal considered or feared to be dangerous is not confined. The customer will be required to confine the animal on service days.
5. **Missed service due to unsafe weather conditions, road conditions, natural disaster or when government authority restricts access to local roads.** A company is not required to collect solid waste when the company determines that it is unsafe to operate due to weather conditions, road conditions, natural disaster, or when government authority restricts access to local roads. The company will collect on the next scheduled service date on which the company deems it is safe to operate, and will take other reasonable actions to resume or provide alternative service as soon as reasonably practicable.
 - a. The company is not obligated to extend credit to customers for missed service if the company collects the customers' accumulated solid waste on the next scheduled service date on which the company deems it to be safe to operate. The company will not charge for extra waste set out (except provided in Item 207, if applicable) in addition to customers' normal receptacle(s), if the amount of extra waste does not exceed the amount that reasonably would be expected to accumulate due to missed service.
 - b. If the company does not collect a customer's accumulated solid waste on the next scheduled service date on which the company determines it is safe to operate, the company is required to give a credit, proportionate to the customer's monthly service charge, for all missed service(s).

Tariff No. 22

Original Page No. 14A

Company Name/Permit Number: Waste Management of Washington, Inc./G-237

Registered Trade Name: Waste Management – South Sound and Waste Management of Seattle

Item 30 – Limitations of Service (continued)

- 6. **Missed pickups due to labor disputes, union strikes or other employee actions.** Customer pickups may also be impacted by labor disputes, union strikes, or other employee actions, which directly or indirectly impact the company’s employees and its customers. In such event, the company will take all necessary actions consistent with its collective bargaining agreements and applicable law to continue to provide service to customers. If disruptions occur, all necessary steps in the interests of public health and safety will be undertaken to resume regular service. Affected customers with accumulated materials, including solid waste and/or recyclables and yard waste will be collected on the next scheduled or available pickup date. The company will not extend credit for the missed pickup but customers will also not be charged for overfilled containers, receptacles or extras set out in bags on top of or next to the customer’s regular receptacle if the amount of extra material does not exceed the amount that would have reasonably been expected to accumulate due to missed pickups.
