RE: Tariff Submittal, Tariff Number 14, Empire Disposal, Inc. G-75.

Dear Mr. King:

Our company has been notified that as of January 1, 2014 the tipping fee at the Spokane Transfer Station will increase from \$103.00 to \$104.59 per ton, a 1.54% increase and at the Spokane Incinerator the rate will increase from \$98.00 to \$99.50 per ton, a 1.53% increase. We project this will increase revenue and expense for residential service by \$1,366 and commercial service by \$515, for a 12-month period, for customers residing within Spokane County. Drop box service is projected to increase by \$230 for a 12-month period. The last general rate increase approved by the Commission was effective September 1, 2013.

Attached are revised tariff pages and supporting documentation containing the revised rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective January 1, 2014. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.
