Re: Benton County Plan submission Docket No. TG-132106

Greetings,

It has come to our attention that Benton County submitted the *Preliminary Draft 2013 Benton County Comprehensive Solid Waste Management Plan* without including their projected 20-year WUTC Cost Assessment. In doing so, they submitted a plan package that is incomplete. The Department of Ecology would like to request this plan be withdrawn until the county can complete the required financial information.

Should you have any questions or if I can be of further assistance, please do not hesitate to contact me at (509) 575-2782 or [trent.hurlbut@ecy.wa.gov](mailto:trent.hurlbut@ecy.wa.gov).

Sincerely,
